

Dear Prospective Member:

Thank you in advance for considering a membership at Crystal Springs Golf Course. We are delighted to be the home course of so many great members and Clubs.

Members enjoy one of the best golfing values in the Bay Area. The Club will collect an initiation fee upon commencement of your membership, and the golf course will waive the one-time \$100 processing fee. The processing fee should be paid with your first month's dues and turned in with your application. Join now and we will waive the processing fee and you will receive one month free dues.

Some of the valuable services and discounts which you can take advantage of as a member include:

**WGANC**

“Women’s Golf Association of Northern California.” We are one of the 101 member clubs of the WGANC. Each member club holds an Open Day once a year. Open Days are a privilege and offer all members an opportunity to play on courses that might not otherwise be available.

**Advance Tee Times**

Selected tee times are available 8 days in advance for members. You can call the Golf Shop or make tee times in person.

**Golf Instruction**

Individual and group lessons can be scheduled at attractive rates from Greg Coplin Golf School and one of our popular instructors. We are proud to have Greg Coplin’s school here at Crystal Springs, Greg was nominated one of the top 100 golf instructors in the state of California by his peers.

**Driving Range Discounts**

Driving range ‘value keys’ are sold to members at a discounted price. A value key will allow you to hit range balls without the hassle of tokens or change. Ask the Golf Shop for details.

**Banquet Facility**

Members who host functions at the golf course will receive a 5% discount on their event. Please contact our Catering Sales Manager at extension 135.

**The Crystal Café**

You can enjoy a full-selection of food and beverages in the Crystal Café.

Thanks again for considering Crystal Springs Golf Course. We look forward to welcoming you as a member.
